

# COMMUNITY INPUT For The Regional 10-YEAR Plan **TO END HOMELESSNESS**

The Regional 10-Year Plan to End Homelessness is being revised. There are 5 ZOOM meetings and a Community Assessment Survey inviting the public to share their knowledge and experiences.

Each ZOOM session is looking for the public's input about the meeting's area of focus. Feedback about, current services and programs, help identifying gaps and goals, as well as suggestions for strategic ideas to advance the reduction of homelessness in Monterey and San Benito Counties.
